**Date -** 25<sup>th</sup> May, 2025

**Time -** 11:00 AM – 4:00PM

**Venue Online -** KIPM college campus

**Organized By -** Evolvera Club

**Supported By-** Evolvera Team

**Faculty Mentors -** Mr. Sanjay Gupta

**Total Participants -** 12 teams

### 1. Objective :-

- Encourage students to identify real-world problems that matter to them or society.
- Promote innovative thinking by developing creative solutions using technology (without the need for coding).
- Enhance communication and presentation skills through a well-structured PowerPoint presentation.
- Foster critical thinking and problem-solving abilities in a practical, impactful context.

### 2. Event Description:-

Th!nk4Good Ideathon 2K25 is an exciting idea-generation competition that challenges students to identify real-world problems and propose innovative, technology-driven solutions — all without the need for coding, hardware, or software development. Participants are required to prepare a PowerPoint presentation that outlines the problem, its significance, their unique solution, and how technology can help solve it.

### 3. Evaluation Criteria:-

- Problem Identification
- Creativity of the Idea
- Presentation Quality
- Q&A Handling / Understanding of the Idea

### 4. Event Highlights :-

- 💡 No coding required! – Just pure innovation and creative thinking
- 🚫 No hardware or software projects – Focus only on impactful ideas
- 📊 PowerPoint-based submission – Present your solution through a simple yet effective PPT
- 🎯 Solve real-world problems using technology as a tool
- 👨‍🏫 Mentorship support for selected ideas
- 🗣️ Improve presentation and pitching skills
- 🧠 Boost critical thinking & problem-solving mindset

### 5. Organizing Team:-

#### Core Team:

1. Siddhansh Pandey
2. Jaya Shukla
3. Uday
4. Aaghaz Ahmad

## **Feedback & Response:-**

- Participants appreciated the level of questions.
- Many students expressed interest in participating regularly in such event.
- Faculty mentors and coordinators acknowledged the planning and execution by the student organizing team

## **Conclusion:-**

Ideathon Th!nk4Good 2025 was a successful blend of creativity, innovation, and purpose. Participants showcased impactful, tech-based ideas to solve real-world problems without any coding. The event empowered students to think differently and pitch confidently. Kudos to all the winners and participants for making it a memorable and inspiring experience!
